DATE AND TIME: April 15, 1982, 4:30 p.m.

PLACE: Department of State, Ops Center Conference Room

SUBJECT: START: Units of Account

Summary of Conclusions

The SIG reviewed the IG discussion paper on START units of account. It was agreed that a shorter, less technical presentation of the issues would better serve the NSC. The IG will prepare a four-page paper describing the criteria and unit of account issues, verification, and allied and Soviet positions for use in an early NSC meeting. One-page issues papers on agency position papers, if furnished, will appear as appendices.

ACTION REQUIREMENTS

The IG principals will prepare a revised NSC paper for delivery to the White House at OOB Monday, April 19.

The NSC representative undertook to seek an NSC meeting on START during the week of April 19.
